

AGN. NO. _____

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

MAY 6, 2008

Many Los Angeles County residents believe there is a significant need for services/public records from the Registrar-Recorder/County Clerk, which has its headquarters in Norwalk with satellite offices in Beverly Hills, East Los Angeles, Florence-Firestone area, Lancaster, LAX Airport, and Van Nuys.

Claremont residents must travel 30 miles to get to the East Los Angeles Office, and 31 miles to get to the Norwalk Office when they need same-day service for birth/death/marriage records. Similarly, new business owners in the fast-growing Santa Clarita area are faced with a drive of over 20 miles to the Van Nuys Office, or over 40 miles to the Lancaster Office to search and apply for fictitious business names.

I, THEREFORE, MOVE that the Chief Executive Officer conduct a feasibility study for expanding Registrar-Recorder/County Clerk satellite offices, targeting the North County with its growth potential and the underserved East San Gabriel Valley as possible new satellite sites and report back to the Board during final changes to the budget in September.
